

Dear Royal Rangers® Leader,

I hope this letter finds you in good health and high spirits. I am writing to you on behalf of **The Ready Foundation** to share an exciting opportunity to make a lasting impact on current and future generations of boys. As you may know, our foundation is dedicated to empowering boys through mentorship and discipleship. We have made significant strides in turning the tide of current culture as it relates to the attack on boys and masculinity.

To ensure the longevity and sustainability of our work, we are establishing an endowment fund. This endowment will provide a perpetual source of income, allowing us to continue our mission for generations to come. The endowment will support many of the goals that are key to the mission of Royal Rangers® - making a profound difference in the lives of those we serve.

We are reaching out to you, as a valued member of our Royal Rangers® community and a supporter of our mission, to ask for your help in achieving this important goal. By contributing to our endowment fund, you are investing in the future of Royal Rangers® and ensuring that we can continue to mentor future generations of boys.

We have set an ambitious goal of raising \$1,000,000 to establish the corpus and grow this endowment. Your generous donation will be instrumental in helping us reach this target. In recognition of your support, we would be honored to recognize you or your organization in the 1 of 1000 Endowment project. You can find out more information about the 1 of 1000 Endowment here - [www.ready-foundation.com/29-11-project](http://www.ready-foundation.com/29-11-project)

Enclosed with this letter, you will find a flyer that includes giving opportunities and additional information about our endowment fund. We encourage you to consider contributing that reflects your commitment to our mission and the future of boys. Every gift, no matter the size, will make a difference.

We would be delighted to discuss this opportunity with you further and answer any questions you may have. Please feel free to contact me directly at 505-379-7326 or [info@ready-foundation.com](mailto:info@ready-foundation.com) to arrange a meeting or to learn more about our endowment fund.

Thank you for considering this request and for your ongoing support of **The Ready Foundation**. Together, we can create a legacy of positive change and ensure that our important work continues for many years to come.

With gratitude,  
Ted Schmidt  
Foundation Coordinator
